

Petroleum Storage Tank Inspection and Environmental Compliance Reporting Authorization

Authorization

1. As owner of the below-listed property, I authorize Pollard Environmental, LLC to perform an inspection of the petroleum storage tank(s) located at the property. In the event that petroleum leakage is detected, I authorize Pollard Environmental, LLC to report the leak/release to the Virginia Department of Environmental Quality in compliance with State Water Control Law.
2. We (Pollard Environmental, LLC) will arrange for Miss Utility to mark public underground utilities, but they will not mark private underground utilities. We cannot be responsible for damage to underground utilities/lines that are not divulged to us by Miss Utility or the owner.
3. Please complete the enclosed "Tank Owner Information Sheet" so that we may perform our inspection/evaluation in the most responsible manner.
